U8 GIRLS- NY ELITE JUNIORS **OPEN ENROLLMENT THROUGHOUT 2017-2018** *A Developmental Soccer Program for U8 Girls*

NY Elite Juniors is focused on helping young female players develop soccer skills while enjoying the sport. Through a variety of age appropriate activities and free play, our players will learn basic techniques for dribbling, passing, and receiving the ball. Players will be given the freedom of trying their newly acquired skills in regularly scheduled games with teammates without worrying about the repercussions of failure.

Our licensed coaches focus on the individual player and the skills necessary to take them to the next level, no matter their current level.

The NY Elite Juniors program will consist of several 8-10 week sessions. Players may participate in as many or as few sessions as they wish. This offers families flexibility throughout the 2017-2018 Season.

This is a stepping-stone to our U10 Development team.
